Annual Gross Income

If your child is awarded a scholarship, payment will be made directly to the preschool. A maximum of \$100 per month, \$900 per year, or the usual customary rate the preschool charges per child will be paid. A co-payment may be required by the preschool and will be the responsibility of the parent/guardian. **Child must reside in and attend preschool in Benton or Tama County and must attend a participating preschool to be eligible.**

Attendance will be monitored by the school. At least 80% attendance per month is required for participation in the Scholarship Program. If the child is sick and misses school, these days will not be included in the 80% attendance per month requirement if a written doctor's excuse is provided. If monthly attendance falls below 80%, one warning will be given to parents by program management. The second time monthly attendance falls below 80%, the child will be terminated from the scholarship program and not be allowed to re-enter during the current school year. Full preschool tuition will then be the responsibility of the parent/guardian.

By signing below, you agree to the terms of participation in the Preschool Scholarship Program including Attendance and Co-Payment Requirements and release of information to Better Tomorrows Early Childhood Iowa Area for program data collection and reporting.
